Midterm Exams:

There will be three midterms, all exams are closed book/closed notes. If you have work conflicts, athletics, etc., you must make alternative arrangements at least one week prior to the scheduled exam date to allow for preparation of another exam. I will determine whether or not a legitimate conflict exists. Other exams, papers, or social events are not considered conflicts. You are expected to manage your time. **A PHOTO ID IS REQUIRED FOR ALL EXAMS**

Final Exam:

This is a comprehensive exam covering all nine chapters we have studied this quarter. It is a **mandatory exam** and must be taken at the scheduled time.

Quizzes - 140 points

Chapter quizzes will not be announced. These in-class quizzes will be closed book and closed notes. There will be **no makeup** for missed quizzes. Each quiz will be worth 20 points. There will be 9 quizzes (one for each chapter we cover) and I will automatically drop your lowest two scores.

Extra Credit

Extra credit problems will be assigned for every chapter and are optional for students. The problem set for every chapter is worth 3 points, for a total of 27 points for the course, and will be challenging. Extra credit problems will be available AFTER each chapter quiz and are due at the beginning of the subsequent class meeting (first 5-10 minutes of class), no exceptions. If you do not complete the chapter quiz, you cannot receive extra credit for the corresponding chapter.

Attendance:

Your class attendance is an integral part of the learning cycle and you are expected to attend all scheduled class meetings. It is your choice as an adult to attend class. It is your responsibility to handle your scholastic life. If you decide to drop this class, **YOU** do so in a timely manner. Registered students who do not attend the first class meeting may be dropped as a “no-show.” I will **NOT** drop anyone after the second week. However, if you miss 2 consecutive classes, you may be dropped.

Academic Honesty:

All students are expected to do their own work unless otherwise instructed by the instructor. Cheating, copying or helping others cheat or copy will not be tolerated and will result in a partial or total loss of points for **ALL students involved**. In addition, students may be suspended from the course and disciplined by the College Administration. If you have any questions, please consult the college schedule under “Academic Integrity”. Please, let us have no problems in this area.
