Request For Information (RFI)

	Question / Inquiry	Program Response
1.	<p>Please provide a thorough description of your program. Please describe the new services or features of your program that were implemented after you last submitted a DASG RFI. Explain how your program is unique. Are there any programs on campus that are similar or is there any duplication of services?</p>	<p>The Asian Pacific Islander South/east Asian (APISEA) Graduation Celebration is a new program. The first APISEA Graduation Celebration will happen in May 2023 and we hope to have it annually. The event this year will be held in the VPAC at De Anza. The number of participants is limited to the size of the venue. We project 100-150 participation the first year.</p> <p>We want to have a graduation ceremony that speaks to the APISEA cultural identity. This is a unique event to celebrate specifically students who are Asian Pacific Islander South/east Asian. The purpose is to let students see and connect with other APISEA students who have completed their educational goal, so they can add to their history of accomplishments.</p> <p>There are two large groups on camps that celebrate a specific student population, but they are not culturally specific to the Asian Pacific Islander South/east Asian student community.</p>
2.	<p>How will your program expand students' perspectives and positively impact their lives and the community? (250 words max)</p>	<p>The main goal is for our APISEA students to graduate and complete degrees/certificates as well as transfer. By completing a goal, this will help provide opportunities for students to thrive personally and in their community when they leave De Anza.</p> <p>We want to highlight all success and struggles from our students to inspire future students and family members.</p>
3.	<p>Go through the most recent DASG Budget Guiding Principles and explain how your program fits each of them or as many as possible. Please do not merely copy and paste the DASG Guiding Principles. The DASG Budget Guiding Principles are available at www.deanza.edu/dasg/budget</p>	<p>The Asian Pacific Islander South/east Asian (APISEA) aligns with majority of the guiding principles.</p> <ul style="list-style-type: none"> • Fund programs that promote diversity, equity, and inclusion among all students. • Fund programs that help students succeed and enable them to achieve their academic and personal goals at De Anza College. • Fund programs that promote leadership, civic engagement, and student advocacy among all students. • Fund programs that promote student retention by enhancing the quality of education at De Anza College. • Fund programs that benefit DASG Constituents.

	Question / Inquiry	Program Response
4.	<p>Explain how your program advertises and promotes itself to all students. Has your program made extra effort to market and reach underserved students? If so, describe how. If not, describe what challenges your program faces in trying to do so. Provide a clear plan for the current academic year as well as any marketing material you will or have used.</p>	<p>We will target specific students who are close to attaining a degree/certificate/transfer. We will be collaborating with the institutional research team, counselors in different departments and student services, and the Admissions and Records office to get data.</p> <p>Since this is a new event, the challenge is not having any data to see where we need improvements to reach the students. The in-reach efforts will be based on the number of students who are actively engaged in student events. We will rely on online and on campus marketing posters as well as any employees who have student-facing roles. We will partner with specific programs like the transfer center to help the APISEA students reach their transfer goals.</p>
5.	<p>Explain how your program promotes equity within the program and on campus. For example: equity training for all staff and student leaders, hiring from underrepresented communities, etc.</p>	<p>May is AAPI month. We intentionally set the APISEA Graduation Celebration at the end of month as a way to wrap up the accomplishments of the AAPI community. We want to highlight our APISEA students.</p> <p>We plan to collaborate with the Asian Pacific American Staff Association (APASA) Infinity Group and the Asian Studies American and Asian Studies (ASAM) department to promote different histories and heritages. We plan to show case stories of success and struggles of the students who are graduating.</p>
6.	<p>How has your program adapted to providing its services online? Alternatively, please provide a clear plan for how your program would provide online services if needed in the future.</p>	<p>We plan to have certain functions online such as advertisement, online registration, online survey for pre/post event survey. We plan to also have online workshops to check their graduation progress and degree application. This will reach those who are limited by coming to campus.</p>
7.	<p>Please indicate which object codes are critical for DASG to fund this year. Please do NOT list down all of the object codes.</p>	<p>The team is still in the planning phase for the first APISEA Graduation Celebration. We will provide a list once we identify the most critical ones.</p>
