### Business Items

#### 14. INFORMATION/DISCUSSION

Title: DASG Bike Program

Description: This item is for Environmental Sustainability to introduce the reopening of the rent-a-bike program, as well as present any other committee updates.

Presenters: Zain Mustafa

Time: 15 minutes

- ⇒ Zain M: Received funding from the Rotary Club and put on pause in 2020 due to the pandemic. It is back and running again. There is a website called DASG Bike Program. On this page you can see what is provided and the requirements. Renting is open to everyone that is above 18, paid fees, has a DASG card, and is enrolled in at least 6 units. It is first come first serve. Total 42 bikes. Fill out the form and send it to the Office of College Life. You will be provided a bike, helmet, and bike lock. Pump stations at the Price center and parking lot A. Currently working on providing e-bikes for the winter quarter. They assist bikes. Possibly will prioritize people based on community needs. Working on marketing the bike program. Marketing the EcoFund and you can submit a project and contact us. Join ES committee meetings.
- ⇒ Dennis S: ES will also be marketing for the VTA correct?
- ⇒ Zain M: Yes. We also will have members around campus spreading the information.
- ⇒ Hyon Chu YB: Training staff is still happening to issue the bikes. Likely will begin after Thanksgiving. People can apply right now, but they will not be given out yet. OCL will contact them for when they can be given out.
- ⇒ Zain M: Will ask committees to spread the word and market. So, I will join your meetings as well.
- ⇒ Amy H: Possibly work on small flyers like the Uber Service that is around campus.
- ⇒ Dennis S: There is a typo on one of the bike program flyers that say 8 instead of 18.

⇒ Jessica L: Has been fixed.

## 15. DISCUSSION/ACTION

Title: DASG Bylaw Amendments

Description: This item is introduced in order to present and approve the revised version of the amendments to the DASG Bylaws, which were last amended on May 11, 2022. The purposes of the amendments are to enunciate the manner in which senators' office hours are conducted in this current hybrid/hyflex regime, to establish that any prospective candidate for a midterm senator position satisfies at least one quarterly internship with one of the committees to ensure a more equitable selection, and to facilitate the codification of the process involved in midterm rolling elections. The articles and sections that are being amended:

- Article II, Section 8

- Article IX, Section 3

- Article IX, Section 4

Presenters: Mohammad Khan

Time: 15 minutes

⇒ Mohammad K: This is the third and final reading and next week we will vote on this item. Article II, Section 8 is about making office hours 1 online and 1 in person. Article IX, Section 3 all future senators need to be an intern before becoming a senator and that they can complete both requirements concurrently. Article IX, Section 4, interviewing and then having deliberation in the senate. DASG president requires a majority rule vote to fill vice president vacancy.
