

Brazil 🇧🇷 Rio de Janeiro & Iguazu Falls

January 2024

Nika Wynn, Dawna & Terry O'Malley, and Cindy Castillo

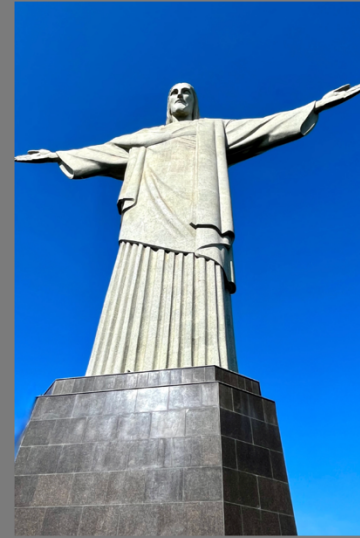

Brazil was the first country in our 3-country journey through South America. Starting in Rio de Janeiro we visited the Christ the Redeemer statue, the Selarón Steps, Sugarloaf Mountain and the Carnaval Experience. Across from Copacabana Beach we enjoyed good food, street art, colorful people, and everything that makes Rio quirky, fun, loose, friendly and wonderful.

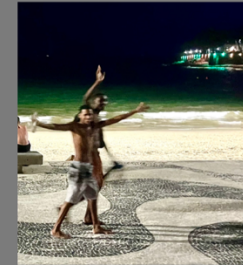

Rio de Janeiro

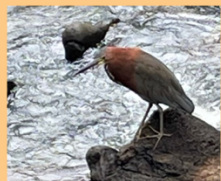

Iguassu Falls

Bidding adeus to Rio we flew to Iguassu Falls on the Iguassu River bordering Brazil and Argentina.

We left Brazil at Tres Fronteras where Brazil, Argentina, and Paraguay intersect at Puerto Iguazú. Obrigado Brazil!
