

De Anza College - Cancelled Courses – Fall 2018

In fall 2018, De Anza College cancelled 72 sections over three cancellation dates between September 10, 2018 and September 17, 2018. Over those three cancellation dates, 656 students were dropped from 72 sections but by census (10/9/18), 95% (625) of the students who were dropped were still enrolled in other classes or additional courses, for a loss of 31 students. Tracking the same course they were dropped from when the course was cancelled, 28% (184) re-enrolled in the same course.

Cancellation 2: 9/12/2018	33	297
Cancellation 3: 9/17/2018	14	224
Total Cancellations*	72	656
	Post Cancellation Headcount	% Post Cancellation Headcount
Enrolled by census in other courses	625	95%
Enrolled by census in same course as dropped	184	28%

*Some individual students were dropped from multiple sections.

Methodology: All sections that were dropped as of the drop dates were tracked. Enrollment for all students who were dropped from a course was tracked from the last drop date (9/17/18) through census (10/9/18). Students re-enrolling in the same course were tracked over the same timeframe but only if they enrolled in the same subject and course number. This report includes only those sections that were cancelled on the pre-determined dates. Other classes were cancelled over the quarter, but are not included in this report, these reasons may include: wrong course number, new time/day, no instructor to teach the class, instructor on medical leave, Honors section removed, change of instructional method. Further, in other reports of cancelled sections, a course plus a lab may be counted as two cancelled sections, this report would count that course as only one section, as the same students are enrolled in the lecture and lab sections.
