

Getting Started with Your Nursing Education

This is meant to be a quick summary guide for students interested in the full 2-year Registered Nursing Program at De Anza College. For detailed information and class requirements for the LVN to RN Transition and Advanced Placement programs, see the **Program Information** document available on the Nursing Program Information page of the nursing web site:

<http://www.deanza.edu/nursing/programs.html>

All students must do the following:

1. **Attend an information meeting.**

Check the De Anza Nursing Web Site at <http://www.deanza.edu/nursing/infodates.html> for times and locations. Registration is required.

2. **Meet with a Counselor/Advisor** to discuss an Education Plan and transcripts of previous course work.

3. **Take Placement Exams as needed:** English/ESL, Math, or the Biology 40A Readiness test.

4. **Begin taking prerequisite courses.**

If you need assistance with academic planning, or to discuss previous course work you have taken, please see a college Counselor/Advisor in the Counseling Department (408-864-5400, or visit the Counseling Services web page for Drop-in Hours <https://www.deanza.edu/our-counselors/>

You may also contact the Nursing Department with any additional questions.

Prerequisites (all must have grade of C or better):	General Education Courses:
