All assignments must be done BY YOURSELF. Any form of cheating will NOT be tolerated in any case, and it will lead to an automatic F for that assignment and possibly even for the course. Cheating includes, but is not limited to:

- Copying from another student's homework, or any other material (including online materials).
- Having someone else do your assignment and submitting it as your own.
- Copying ANYTHING from the Internet

The first instance of plagiarism found by instructor will result in ZERO credit for the assignment. The second instance of plagiarism found by instructor will result in failure of class.
