

Student Learning Outcome Core Team Meeting Notes for January 10, 2022

Present: Veronica Avila, Karen Chow, Mae Lee, Mary Pape, Dawn Lee Tu

Recap of 9th SLO Symposium:

Veronica shared experience at two of the workshops:

- Harvard professor in favor of group work and eliminating grades
- Aisha Lowe, Vice Chancellor of Educational Services [Competency Based Education CBE Model](#) after for-profit colleges. Flexible schedule including weekends and evenings. Grades based on mastering skills.

Model would be adding another opportunity. Integration with current model. Mae and Veronica expressed a desire that College begins to lead us to explore CBE model. Mary will bring it to attention of Academic Senate and to VPI and AVPI.

SSLO and AUO assessments through CAS Standards: Work is continuing with care to make the connection between assessments and the student service area outcomes.

SLO assessments completed since 3/2020:

Master Levels for eLumen and recap of implementation decisions:

2022 Convocation: No time to discuss.
