

# CAS Standards Self-Evaluation Presentation

Assessment Center

# Highlights from Self-Assessment

## Reconceptualizing the Assessment Center

- **Redefining** assessment as a new student matriculation step
  - *Retirement of placement tests; ensuring transfer-level English & Math course eligibility*
- **Recreating** assessment tools and processes
  - *Implementing new technologies*
- **Revisioning** assessment services
  - *Modality as equitable access*

<https://youtu.be/VOyG047Bhxg>

## Objectives

*Provide English, English as a Second Language (ESL), mathematics, chemistry and biology assessment services to students so they can make **informed decisions** about registering for courses in which they are **likely to succeed**.*

## Key Results

- Meet compliance mandates – AB 705, AB 1705, AB 1805
- Provide professional development
- Assess and evaluate our students' assessment needs
